

## DATES, AVAILABILITY & PRICING

AS AT: 1/11/23, and subject to change without notice.

As advertised tours fill more dates will be added if possible, so always check back for the latest availability list.

For any group bookings, please note that we may be able to conduct a tour of your choice outside the below advertised dates. Please simply get in contact with a date and tour that you have in mind and we'll do our very best to accommodate it. Minimum of 5 people to run a group tour - ideally 15+

Please note: Both Border Hopper & the Riverina tours have 3 categories: 5 to 10 passengers, 12 to 22 passengers, and 24 to 30 passengers. Individuals/couples/twin shares or small groups are all able to book on the 5-10 person which is conducted in our small bus, and group bookings only able to book the 12-22 or 24-30 person tours which will be done in a hired vehicle. Initially all tours are available. It is simply the first booking received locks in the tour and vehicle, and the other ones for the same date will automatically close off. This means, particularly for tours more than a few months away, that available dates may change on a regular basis - you just need to book in to lock it in! This form will periodically be updated with what has been booked, with the most up to date version being the live book now button on our website.

Prices start **from as low as \$1150pp** (tri or quad shar in a 24-30 group), through to \$1650pp (single room on a 5-10 person group). Start to place a booking online, or call 1800 154 551 to confirm exact pricing.

### **Itineraries are subject to change without notice.**

We do our very best to stick to the planned itinerary as best possible, but the district is still plagued with staffing shortages, flood damage, and businesses still finding their feet after covid. These things, and weather, can present some challenges in maintaining our original plan. Where the original itinerary is not able to run, we'll do our best to provide the closest possible alternative, as we try and support local recovery efforts. We appreciate your patience with these matters.
